

3 different fingerless gloves in thick wool

Yarn: Viking of Norway, Naturgarn

Hook: US = 6 / English = H8 (Sweden 5 mm)

English/US terms:

Ch/ch = Chain

sl st = Slip Stitch

Dc/sc = Double Crochet/Single Crochet

Htr/hdc = Half treble/Half double crochet

Tr/dc = treble/double crochet

Crochet in back loop only

Before we begin to crochet, heres some tip and trix:

Change color: Whether you are replacing in the midst of a sl st, dc/sc, or a htr/hdc, you always do the same. You initiate it to do, such as a dc/sc but the last thing you do, pull-through, made with the new color.

.....just begin a sl st.....

.....and end it with the new color.....

Crochet a **arrow-pattern** like this:

..insert hook under the previous round in this case a htr/hdc round. Pick up yarn and crochet a regular dc/sc. Make every arrow, and every ordinary.....

Crochet in the **Back loop**:

Make sure to stick hook properly, so that you get two mesh structures of the needle in the BACK loop

Crochet a **Picot**:

In this pattern I make a picot edge with ch 3, htr/hdc in 3rd ch from hook and after that, skip one stitch, and crocheting a single crochet in next....

Crocheting a *sl st* round **ON** your work:

...the thread should always be "inside/under" your work, you insert hook between two stitches...

Catch up on yarn at work, pull through and work a sl st....

There you go, then I think well start with our fingerless gloves....

Flower Power

Color A = Dark gray, Color B = Light gray, Color C = Dark pink

Begin all rounds with ch 2, (counts as 1st htr/hdc and end every round with a sl st in the 2nd ch from beginning of round...

Round 13. Ch 2, htr/hdc 20, htr/hdc 2 in the bow, htr/hdc 4

Round 14 – 15. Crochet rounds as for the left glove

Details:

I have crocheted three different sc/sl st rows ON the work. See “tips and trix” to see how to crochet them. The first sl st round I made just above row 1 with dark pink. The second I crocheted above the 6th round and the last just under the top portion with light gray. Furthermore, I sewed a flower in the middle of the mitten with dark pink yarn.

Pink Dreams

Round 14 – 15. Crochet as the same for left glove

Cut and fasten off

Details:

Here I crochet a smaller picot row at the bottom in the same light pink i begun with. This picot I made with ch 3, dc/sc 1 in the 3rd ch from hook, skip a stitch and crochet a sl st in the next...and so on...

Furthermore, I crocheted a sl st round with dark pink just above the last white round.

I embroidered a cross-embroidery over the first two white htr/hdc-rounds. The possibilities are endless, and you do not have to do like me, let your imagination run wild!

Towers of "Visbys Ringmur"

Pattern for Towers of Visbys Ringmur

Color A = Dark gray, Color B = Brown, Color C = White, Color D = Light gray

Left glove:

Begin all rounds with ch 2, (counts as 1st htr/hdc and end every round with a sl st in the 2nd ch from beginning of round...

Ch 24 with color A end with a sl st in the first ch

OBS! All rounds, crochet in BACK LOOP

Round 1. Htr/hdc 24 with color A

Round 2. Arrowround with color B (the arrowround, every second a arrowstitch, every other a dc/sc stitch)

This with arrow-rounds...can be a little tricky. The pattern is hastily written and you may tweak a little while crocheting. Make sure you always crocheting hst/hdc 24 afterwards. It CAN mean you have to crochet two hst/hdc together to get the right number...

Round 3. Hst/hdc 24 with color A

Round 4. Arrowround with color B

Round 5 – 7. Hst/hdc 24 with color A

Round 8. Hst/hdc 24 with color B

Round 9. Arrowround with color C

Round 10 - 12. Hst/hdc 24 with color C

Round 13. Ch 2, htr/hdc 2, ch 3, skip htr/hdc 2, htr/hdc 19 with color C

Round 14. Ch 2, htr/hdc 2, htr/hdc 2 in the loop, htr/hdc 19 with color C

Round 15. Hst/hdc 24 with color C

Round 16. Arrowround with color D

Round 17. Hst/hdc 24 with color D

Round 18. Arrowround with color A

Round 19. Hst/hdc 24 with color A

Round 20. Picot round with ch 3, hst/hdc 1 in the 3rd ch from hook, skip hst/hdc 1 and crochet one regular dc/sc

Its the same picot Im showing in “tips and trix”

Right glove:

Crochet round 1-12. In the same way as for the left glove

Round 13. Ch 2, htr/hdc 19, ch 3, skip htr/hdc 2, htr/hdc 2

Round 14. Ch 2, htr/hdc 19, htr/hdc 2 in the loop, htr/hdc 2 hst

Crochet round 15-20 in the same way as for the left glove

Cut and fasten off

Details:

Here I crocheted two sl st rounds ON the work just under the picot round on top of the mitten. The first one with brown, and the other, just below the other, with light gray.
